Dear Sir,
Re: Allotment of Residential plots in Noida Complex
Application No. 219-XI/79/Q/14.
.....

Draw of lots for Sector XI has taken place more than a year ago and I
not been informed of my allotment by you so far.

Immediately after the draw, I came to your Administrative block building
found my name in the list of allottees, in which plot No. R-39 stands
to me. Therefore I contacted the dealing assistant and he told me that
letters have not been issued to any of the allottees and that such letters
will be issued in due course of time. But unfortunately, I have not received
any letter from your office so far.

I will be grateful if a letter of allotment is issued to me early and
if any amount is required to be paid by me, the same be intimated to me.

Thanking you,

Yours faithfully,

(MR. AMIT PAL SINGH)
